PROFILE

Graphic Designer with 3+ years of experience seeing creative ideas through from initial concept to final product.

EXPERIENCE

Graphic Artist, A-1 Awards, inc. — 2017- Present

Won “Most Creative Retailer Product” for trophy design at 2020 Awards & Personalization Association National Expo.

Acted as interim Graphics Team manager, overseeing orders, artwork and printing for four months during production department restructuring.

Designed and built custom awards for USA Track & Field, USA Gymnastics, National Ninja League and other clients both local and worldwide.

Created cohesive sets of acrylic trophies, custom cast medals, banners, plaques, engraved items and other products for large and small events.

Worked directly with clients and oversaw assembly to ensure customer satisfaction as well as efficient use of materials and quality of products.

Freelance Graphic Designer — 2011-Present

Art Direction for local band, including digital and physical album covers, flyers, photography, and promotional materials.

Designed infographics, posters, business cards, and logos for Randolph County Recycling District, Hayes Arboretum and other local businesses.

Created interior illustrations and diagrams for a psychology textbook.

Sales Team, Menard’s Hardware — 2014-2017

Completed manager-level advancement course, learning how to utilize store systems and policies across all departments to increase sales.

Trained new employees in hardware department stock crew procedures.

EDUCATION

**Bachelor’s Degree in Telecommunications Production, Digital Publishing
Minor, Ball State University, 2012**
